

## **Cave Without a Name Concert Events**

**Thank you for your presence in the Cave. If you have prepaid please bring a copy of your PayPal receipt or I'll have you on the list at the door (in the little store)-there are no paper tickets sent. There are tickets to the concert available at the door as well.**

**The cave itself is a living geological wonder -it's beautiful. The temperature is 66 degrees and humid. A jacket or sweater is helpful. There are chairs down there. Water is allowed in -no food. We all eat topside if we're hungry. The store has ice cream which usually seems perfect after a cave experience! There are 126 steps down -wear easy walking shoes. Cameras are allowed and there are some beautiful formations to photograph. A flashlight for the parking lot is helpful for city eyes! Rest rooms are topside only - a visit before the event is helpful.**

**If you want to pack a picnic dinner, do so and bring some camp chairs -the grounds are beautiful! Someone from the Cave staff will offer to take you on a tour of the rest of the cave at the end of the concert.**

**Please let me know if you have any questions. The map link to the cave is below:**
